**Proceedings: STATUS CONFERENCE RE: SENTENCING**

Case called, appearances made. The matter was set for sentencing. After a lengthy hearing on 01-22-24 about the USSC decision in *Bruin*, the Court expects a marked increase in cases dealing with the Supreme Court's clear view of the 2nd Amendment and how felons in possession of firearms and ammunition will clash. In the case of *Sanchez*, the attorneys were advised of the *Pugh* case and the court's preference to issue its decision mindful of the fact that there are likely to be multiple other cases coming. I will advise the attorneys in *Sanchez* case as soon as the decision is published on Pacer. Once the attorneys see the court's decision, they will have the option of exercising their right to argue the motion or determine for themselves if they wish to argue or submit.

The Court continues the Sentencing hearing until March 18, 2024 at 9:00 a.m.

IT IS SO ORDERED.
